PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

May be harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. Remove pets, birds and cover fish aquariums before spraying. In the home, food processing surfaces should be covered before treatment or thoroughly washed before use. Do not apply while food processing, preparation or serving is underway.

FIRST AID

IF IN EYES	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.

PHYSICAL AND CHEMICAL HAZARDS:

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Provide adequate ventilation during use. Do not use in or around electrical equipment due to possibility of shock hazard. Protect from freezing.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow children or pets to contact treated surfaces until spray has dried.

INDOORS: Thoroughly vacuum all carpeting, upholstered furniture, drapes, along baseboards, under furniture and in closets. Seal vacuum bag and dispose of in outdoor trash. Spray BIO SPOT® Inverted Carpet Spray from a distance of two to three feet from surface being treated. Apply with a smooth back-and-forth motion to carpets, drapes, rugs and upholstered furniture. Avoid wetting or saturating carpets or furniture. An evenly applied fine mist spray is sufficient. Do not spray wood furniture, floors or trim as water spotting may occur. Repeat treatment as necessary to eliminate fleas and ticks. Apply directly to exposed insects: roaches, ants, spiders, crickets, centipedes, waterbugs, silverfish and sowbugs.

PET BEDDING: Treat pet bedding and resting places. Apply a uniform spray to nearby cracks and crevices, along baseboards, window and door sills and localized areas where fleas, ticks or lice may be present as these are primary hiding places for these pests. Removal and replacement of pet bedding after treatment is not necessary.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area out of the reach of children. Protect from freezing.

DISPOSAL: Do not puncture or incinerate!

If empty: Place in trash or offer for recycling.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
